APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,

and do hereby grant the same, subject to the following limitations and

conditions: This permit is issued with the understanding that it is

limited to the water available at the point of diversion. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.0

cubic feet per second, and not to exceed a yearly duty of 4 acre-feet per acre of land irrigated.

Actual construction work shall begin on or before January 14, 1955

Proof of commencement of work shall be filed before February 14, 1955

Work must be prosecuted with reasonable diligence and be completed on or before January 14, 1956

Proof of completion of work shall be filed before February 14, 1956

Application of water to beneficial use shall be made on or before January 14, 1957. Proof of the application of water to beneficial

use must be filed with State Engineer on or before February 14, 1957

MAR 22 1954

Map Filed Proof of commencement of work filed JAN 31 1955 WITNESS MY HAND AND SEAL this 14th day

Proof of completion of work filed JAN 28 1956 of July 1954

PROOF OF BENEFICIAL USE FILED FEB 20 1957
